Dear Resident of Bellefontaine Neighbors,

You may be aware that sections of your neighborhood have been marked with yellow "Asbestos Area" tape. This tape indicates that asbestos, a hazardous material formerly used for insulation, has been found in the enclosed area. You should not enter these marked areas.

This Thursday evening, representatives from the U.S. Environmental Protection Agency (EPA), the Missouri departments of Health and Natural Resources and county and local governments, will be available to provide information about these areas. They will hold a

Public Meeting

Thursday, October 6, 1994

6-7 p.m.

Bellefontaine Neighbors City Hall

9641 Bellefontaine Rd.

Bellefontaine Neighbors, Mo.

All comments and questions are welcome.

Sincerely,

U.S. ENVIRONMENTAL PROTECTION AGENCY
MISSOURI DEPARTMENT OF HEALTH
MISSOURI DEPARTMENT OF NATURAL RESOURCES
